

ST. PETER'S LENTEN SERIES: CHRISTIAN MYSTICISM

7pm in the Parish Hall, St. Peter's, 115 St Peters St., Salisbury, MD

All are welcome to participate

Christian Mysticism is an interior experience of the soul drawing into greater union with God. It has been practiced over the centuries by Christian mystics who through contemplation and prayer had visions and experiences of the divine. In this series the Rev. David Michaud will introduce the Christian approach to mysticism, how it has been experienced through the history of the church and how we might learn about and practice an interior mysticism in our lives, looking at the mystical writings of selected Christian mystics.
