

WELCOME TO THE SUNDAY SCHOOL TABLE AT THE VIRTUAL MINISTRY FAIR!

Sunday School will begin in a different way this year as we are not immune to the challenges of social distancing. We are working diligently to plan for a safe year with continued instruction for our children in Sunday School. This is Emily's fourth year as a Co-Director and Jamie's third year as a Co-Director.

We continue to look to our Mission for St. Peter's Children and Youth to guide us:

St. Peter's Children's and Youth Ministries love, inspire, and equip children and youth to be disciples of Christ and faithfully serve their community.

In place of our normal Teacher Training this year, we will have a **Parent Orientation on Saturday September 19th from 10-11 via zoom**. We plan to review the curriculum, calendar and answer any questions that come up.

Sunday School for our students will begin on **September 20th**. We will use a different curriculum this year until we can meet in person again. Our new curriculum is called [Orange First Look and Orange 252 Kids](#) see link for video samples. They make high quality videos based on Old and New Testament bible stories. We still love our old curriculum Spark and will return to that once we meet in person again. Father David and Reverend Adele will make videos once a month which will include bible lessons, lessons on different prayers, Rites of Passage and St. Peter's history and building.

Registration will take place online this year with forms already being sent out to parents via email. The forms are also on our church website under the Children and Youth section.

We plan to have an ongoing outreach project with the Card Ministry. We are developing ideas on how to do other outreach and will send out information to our families regarding how we can help others in our community.

Our normal Advent party is always a fun way to wrap up the fall. This year we will offer take home crafts like Advent Wreath Making and other Advent/Christmas related crafts.

We have a wonderful group of volunteers who each add to our ministry in many ways. We are thankful for everyone who has helped, bought supplies and supported our ministry. We encourage you to have your families sign up for our emails so they can join in our digital fun.

God Bless,
Emily Atkin & Jamie Scott
